

This program is an employee value proposition that your employees, their families, and friends can access. This is a complimentary service to employers with no subscription, sign-on fees, or cost to the organisation. Fees apply as and when individuals choose Genea as their fertility provider.

The program is designed to assist individuals and couples who:

- Want to understand their fertility
- Considering preserving their fertility for a family in the future
- Want to explore egg freezing options
- Trying to conceive but need some help
- Require assisted fertility
- Need genetic testing prior to conceiving
- Have general fertility enquiries
- Require donor and surrogacy assistance
